## Wells Gray Country-Electoral Area 'A' TNRD

### Advisory Planning Commission Volunteer Service Recognition

Volunteerism in Wells Gray Country has always played a significant part in getting things done. I would like to recognize Ed Buck for many years of service on the local Advisory Planning Commission (APC). Mr. Buck has served on this committee for 33 years! Ed worked with several TNRD Directors during his 33 years of service and was also the APC chairman. Mr. & Mrs. Buck along with former TNRD Director Bert Walker and I enjoyed a nice lunch and pleasant conversation at the Wells Gray Inn prior to presenting Ed with his gift.

With incorporation of the District of Clearwater came many changes for area residents. One of those is the membership of the APC which no longer includes the District of Clearwater land base nor Clearwater residents. I would like to take this time to recognize and thank Mr. Buck for his many years of service to the community. For those residents of Wells Gray Country living outside of the District of Clearwater who may be interested in serving on the APC please contact Tim Pennell at 250-676-9485 for more information.
